Memorandum of 10 February 1955 from Chief, Finance Division
Subject: [REDACTED]

25X1A

1. Reference is made to the matter referred to in your memorandum of 10 February 1955 concerning the acceptance by the Contracting Officer of certificates submitted by contractors under our contracts.

2. The suggestion contained in the memorandum of the Chief, Industrial Contract Audit Branch dated 10 January 1955 is a good one and it is apparent that continued use of the suggestion will assist in clearing the items in question more efficiently and promptly in the great majority of cases. It was found that one or two of these cases had gotten off track due to change over in personnel but there appears to be no problem now that the matter has been brought to our attention. This memorandum is for the purpose of recording our mutual understanding of the matter.
